

March 3/2021
Land Conservation Committee

Attendees:
Dr A Juhasz
Joy Schmidt
David Hoppe
Martha Maust

Meeting called to order at 4:30pm by Dr. Juhasz, chair

David reported that a survey was conducted 3 parcels of the Long Beach Park adjacent to Stockwell Woods on behalf of Save the Dunes. And David will update us on the results of the survey when available.

There will be a subcommittee meeting about the Long Beach proposed tree ordinance with Joy Schmidt, Dr Juhasz, Dr. Lemay, town council president and Tom Dolph, street department on March 18. Updates on the meeting will be reported to the committee.

Rachel Stadler is absent today, so a report about an animal exhibit planned.

Request made that our committee organize a public event about trees, their care, and native vs invasive trees. Martha will try to contact someone who may be able to give a talk on this subject.

Meeting adjourned at 5pm.

Respectfully submitted,
Martha Maust
