Land Conservation Committee

Meeting called to order at 4:05 PM by chairperson Annabelle Juhasz

Report on Eagle Scout to continue with trail upgrades. Paul Fithian was notified that currently there are no eagle scout candidates, but perhaps later in the school year. No discussion today regarding the tree ordinance with David Hoppe and Joy Schmidt absent.

Plans for fall walk on November 2nd on the Long Beach Nature Trail continued. Martha was in communication with the Michigan City Senior Center Director to get advertising for the walk focused on Senior citizens and walking with dogs. She reported that the flyer was emailed to Tara Miller will have the information in the November newsletter which is usually mailed out the last week of October.

Daisy Lee who is the environmental teacher at Krueger Middle School has been contacted. She states that she cannot assist with this walk until after the volleyball season is completed because she is very busy.

Brochure was composed by A Juhasz with the information about the event.

We will continue to promote the activity to the public.

Meeting adjourned at 4:40PM.

Respectfully submitted,  
Martha Maust
