Meeting Minutes from 6/26/18  
Long Beach Town Hall, 6:00pm

- Call to Order
- Quorum: Kendra Bartlett, Kathryn DeLaBarre, Jerri Massey. Two residents were present.
- Approved May minutes.
- Summer camp update - 55 kids and more coming each week. Moving coming up July 3.
- Stops 22 and 26 - specs for improvements are in but not out to bid yet. Stop 18 - homeowner to take out driveway. No update on Stop 30.
- June 9 beach cleanup was successful with good participation. Will likely follow same model next year. Debris remains at Stop 21 but will be picked up this week.
- Community Center / Garden Club - if community center wants to request Parks Dept funds, we need to review and approve the plan before committing funds.
- A resident has suggested a volleyball net in one of the parks. PB will research cost and options and if feasible, will look at possible locations. Would need to be portable and/or easily taken down.
- Getting great response regarding no personal items on the beach policy. Need to identify a new location for items to be stored - likely behind police station.
- Adjourn
- Next meeting 7/24/18, 6pm, Town Hall
