

RESOLUTION 2019- _____ ADA ACCESSIBILITY AT BEACH STOP 15

WHEREAS the Long Beach Town Council in Long Beach Indiana, LaPorte County, Indiana, has identified the need for and desirability of disability access to our Lake Michigan shoreline at Stop 15;

WHEREAS the Town has incorporated feedback from its residents and the public in the Comprehensive Plan, and this project is a direct outcome of the Town’s 2016 Comprehensive Plan;

WHEREAS the Town has consulted with outside experts to assist in the development of the plan for this project;

WHEREAS the Town has applied for a \$100,000 matching grant through the Indiana Department of Natural Resources Lake Michigan Coastal Grant Program being offered by the National Oceanic and Atmospheric Association;

BE IT RESOLVED THAT:

- 1) The Town of Long Beach has allocated the \$100,000 matching funds for which it is responsible under the terms of the grant, within the Town’s budget under its Cumulative Capital Development Fund, and;

- 2) The Town Council agrees to turn over the long-term maintenance of the site, following construction, to the Town’s Parks and Recreation Department Board, who will manage the necessary maintenance required for the site.
