FURTHER DESCRIPTION: \_\_\_\_\_

PURPOSE OF OPENING: \_\_\_\_\_

DEPOSIT or PERFORMANCE BOND: The Street Commission shall be granted the power to waive the requirement for a deposit or bond if the applicant is a public utility and where the cost of the project is under \$ 25,000 or non-public utility and the project cost is under \$ 1,000. If required this permit shall be issued only after a deposit or performance bond has been made payable to the Town of Long Beach and presented to the Clerk Treasurer. The deposit or performance bond shall be sufficient to cover the cost of restoration conditioned upon prompt and satisfactory refilling of excavations and restoration of all surfaces disturbed. The opening and restoration of a pavement or other surface shall be performed under the direction and to the satisfaction of the Street Superintendent. Upon failure or refusal of the permittee to satisfactorily fill the excavation, restore the surface, and remove all excess materials within the time specified in the permit or where not specified therein, within a reasonable time after commencement of the work, the Town may proceed without notice to make such fill and restoration and the deposit or performance bond may be forfeited or called.

**RESPONSIBILITY:** If this application to cut into the road surface or other Town property is granted I hereby agree to backfill the trench of said opening to the specifications of the Street Superintendent, and to repair the site to pre-existing condition and maintain the surface for a period of twenty six (26) weeks after traffic is again permitted to pass over the filled trench, unless provided otherwise by special provisions. Any sod that is removed will be replaced satisfactorily.

I further agree to erect and maintain all necessary barricades, detour signs and warning lights required to safely direct traffic over or around the site where the above described work is to be done so long as the work in any way interferes with traffic.

I further agree to move or remove any structures installed under this permit, at applicant's own expense, should future traffic conditions or road improvements necessitate and when requested to do so by the Street Superintendent.

I further agree to assume all responsibility for any injury or damage to persons or property resulting directly or indirectly from the work contemplated in this application and to hold the Town of Long Beach, Indiana harmless therefrom.

I further agree that said work will not interfere with any existing structure along or across said Town street or property, without permission from owner of said structure.

I further agree to notify the Street Superintendent preceding the beginning of work, and to stop said work at any time upon the request of the Street Superintendent.

I further agree that materials used in connection with this work will meet the specifications of the Town of Long Beach.

I further agree to indemnify and hold harmless the Town of Long Beach, Town Council of Long Beach, and the Town of Long Beach Street Commission for any and all claims which may arise as a result of the issuance of this permit, or any work performed under the authority of such permit. Such indemnification shall include, but not be limited to claims for personal injury or property damage.
