Contractor Registration Bonds

May 1, 2015

By a majority vote of the Town of Long Beach Building Commission and in cooperation with LaPorte County Building Department, effective immediately, all Town of Long Beach contractor registration/licensing bonds dated after May 1st, 2015, need to be made solely to “Town of Long Beach” as the obligee. No longer will “All cities, towns, and municipalities of LaPorte County” be accepted. The value of the bond has also increased from \$5,000 to \$10,000. Current bonds on file will be honored until expiration or December 31, 2015, whichever comes first. Any renewed bond must conform to new policy. The Town of Long Beach Building Commission thanks you for your cooperation and understanding in this matter.
