Water Report:

- Monthly reads complete
- Meters – December 23rd
- Mapping software – Austin is really good.
- Water leak Cooney - Floral Trail. Water department fixed issues, technical ?
- Jim Mauer – Haas upgrade to 8 inch inline valve. He is guestimating 1 million dollars - \$50,000. For engineer fees
- Greg is not sold just replacing the like service
- IDEM EPA – lead services – possible grant. Lead and copper samples. No violations – no grant. Greg feels we can change service lines in water project.

- Anything old to the North of LSD would keep us in line with IDEM Standards.
- Neptune 360 in place
- Change e billing
- And PSN
- Neptune – waiting for training.
